SECTION 809 PANEL

Daily Media Clips

February 15, 2018

The Section 809 Panel is a congressionally mandated panel designed to be a catalyst that restores agility and simplicity to defense acquisition through bold and effective recommendations.

Good morning! We found several articles that you may be interested in.

DoD to Host Acquisition Industry Day for the Joint Enterprise Defense Infrastructure Cloud
February 14, 2018 | U.S. DoD

Today, the Department of Defense (DoD) Cloud Executive Steering Group (CESG) announced its plan to host an Industry Day for the Joint Enterprise Defense Infrastructure (JEDI) Cloud acquisition on March 7, 2018.

Open to the public, this unclassified event will outline the DoD's plans for the JEDI Cloud acquisition. All interested parties from industry, academia, government, and media are encouraged to attend.

Event coordinators will announce speaker names closer to the event. Additionally, a draft solicitation package is expected to be released concurrently that provides instructions for submitting written questions about the acquisition process or draft solicitation. No live questions will be fielded during the event.

This announcement should not be interpreted as a Request for Proposal or a commitment by the U.S. Government. Also, the U.S. Government does not intend to award a contract on the basis of this Industry Day event or the pending draft solicitation package. The U.S. Government is not responsible for any costs incurred by travel or participation in this event or the draft solicitation process.
