Section 809 Panel Issues New Streamlining Acquisition Report
July 12, 2018 | Bill Kobren

Section 809 of the FY16 National Defense Authorization Act (NDAA) directed the Secretary of Defense to establish an independent advisory panel on streamlining and simplifying acquisition regulations.

The Section 809 Panel's Volume 1 Report was issued in January 2018. Their Volume 2 Report was recently issued in June 2018. According to their website, "In our Volume 2 Report, we cover topics such as enterprise capability portfolio management, operationalizing the Dynamic Marketplace concept, commercial source selection, the acquisition workforce, the Cost Accounting Standards Board, and services contracting. Additionally, you will see more information on decluttering Title 10 of the U.S. Code."

Of particular interest to the DoD life cycle logistics and product support management community are concerns raised about the Life Cycle Sustainment Plan (LCSP), Product Support Manager (PSM) and sustainment management in general, saying:
