SECTION 809 PANEL

Daily Media Clips

March 13, 2018

The Section 809 Panel is a congressionally mandated panel designed to be a catalyst that restores agility and simplicity to defense acquisition through bold and effective recommendations.

Good morning! We found several articles that you may be interested in.

David Berteau: How DoD can shorten procurement, acquisition time [Audio]
March 12, 2018 | Federal Drive

Congress, in the last defense authorization bill, gave the Defense Department the task of better understanding something called PALT. That stands for procurement and acquisition lead time. By defining it, maybe DoD can shorten it. Defense officials have called for comments. The Professional Services Council plans on submitting them. David Berteau, president of the PSC, joined Federal Drive with Tom Temin to explain.
