SECTION 809 PANEL

Daily Media Clips

March 8, 2018

The Section 809 Panel is a congressionally mandated panel designed to be a catalyst that restores agility and simplicity to defense acquisition through bold and effective recommendations.

Every rule and regulation concerning federal acquisition has a reason for being — or at least had in the past. Often, long after the reason went away, the rule lives on and on. In looking for ways to rationalize defense procurement, the Section 809 Panel chartered by Congress in its authorization bill a couple of years ago asked contractors and contracting officers what bugged them the most. Mike Madsen, executive director of the Section 809 panel, joined Federal Drive with Tom Temin to share those answers.
