SECTION 809 PANEL

Daily Media Clips

May 16, 2018

The Section 809 Panel is a congressionally mandated panel designed to be a catalyst that restores agility and simplicity to defense acquisition through bold and effective recommendations.

With no fewer than three different panels examining defense acquisition rules to see which ones can be done away with, they have got their work cut out for them. There is plenty of evidence to show that defense acquisitions may need even more scrutiny. That could mean whatever recommendations the panels make may be muted by legislators looking to enact more rules. To find out more, Federal News Radio's Eric White spoke with Larry Allen, president of Allen Federal Business Partners, on Federal Drive with Tom Temin.
