GSA's OASIS: A strategic asset on the procurement landscape
August 17, 2018 | Roger Waldron

A little less than five years ago, the General Services Administration's (GSA) Federal Acquisition Service (FAS) launched the One Acquisition Solution for Integrated Services (OASIS) professional services contract vehicles. As the program rapidly approaches its five-year anniversary, a significant milestone whereby GSA can extend the OASIS contracts by exercising the vehicle's options, this week's blog takes stock of what has been a highly successful, best value contract management program.

OASIS Unrestricted (U) and OASIS Small Business (SB) are unique Multiple Award Indefinite-Delivery, Indefinite-Quantity (MAIDIQ) vehicles for the acquisition of complex professional services. As the first of their kind, these contract vehicles feature the following core disciplines:

Program management services;
Management consulting services;
Logistics services;
Engineering services;
Scientific services; and
Financial services.
